

PRODUCT TYPES

Tranquility® believes you deserve an incontinence solution that addresses your unique journey, so we offer a wide selection of products, styles and sizes to meet your individual needs.

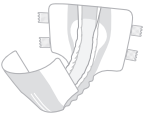

Pads

Clothlike, absorbent pads designed for light to moderate incontinence. An adhesive strip holds the pad securely in regular underwear for discreet protection.

Protective Underwear

Pull-on products that fit like regular underwear. The soft, elastic waistband provides a discreet and comfortable fit that moves with you.

Briefs

Tab-style products that provide you with the highest level of protection and coverage. Designed to contain both urinary and bowel incontinence.

Booster Pads

Flow-through pads add absorbent capacity to your primary incontinence product. The flexible design and adhesive strip allow for personalized positioning to add protection when and where you need it – ideal for pairing with protective underwear or brief-style products.

Underpads

Provide an additional layer of protection to safeguard surfaces, such as bedding, furniture and wheelchairs, from heavy leakage and odor.

NEED MORE PROTECTION?
