

What plays are you making to grow your business?

Tranquility® does more than make the most absorbent, highest-performing incontinence products that your customers will ask for by name. We also work with your business to support successful growth, together. **Here are some of the solutions from our Sales Growth Playbook.**

Boost Revenue with Boosters

Booster pads provide added protection for your most vulnerable customers, who may not even be aware that Booster pads are covered under Medicaid. It's a win-win!

Offer New Options for Medicaid

Tranquility Essential products are designed to meet higher Medicaid state standards, providing new options for more of your customers!

Grow Sales with Samples

Put our products into your customers' hands so they can feel Tranquility quality for themselves. Learn why Dealers who offer our samples grow sales 2X FASTER!*
