

# Tranquility® Supports LTC Staff During COVID-19 and Beyond

The aging services field has been disproportionately affected by COVID-19. Facilities we partner with and researched have experienced higher rates of depression and severe pressure ulcers among residents during the pandemic. Staff, residents and their families have all shared concerns about untreated bedsores, dehydration and inadequate hygiene. These challenges are perpetuated by facility resource constraints.

## Staff Turnover<sup>1</sup>

RN: **141%**

CNA: **129%**

LPN: **114%**

## Staffing Shortages<sup>2</sup>

**99%** of nursing homes report being understaffed

**58%** of nursing homes are limiting admissions due to staffing shortages

## Declining Resident Care<sup>3</sup>

**71%** of residents/families had concerns about treatment in the facility since the start of the COVID-19 pandemic

## High-Quality Incontinence Products Play a Critical Role in Resident Outcomes and Staff Satisfaction.

**20%**  
REDUCTION IN  
BRIEF CHANGES

Extended wear time reduces burden for staff, while increasing socialization and uninterrupted sleep for residents

**74%**  
REDUCTION IN  
LINEN CHANGES

Decreased caregiver workload, less disruption for residents and reduced laundry costs

**68%**  
REDUCTION IN  
SKIN IRRITATION

Improved resident outcomes and reduced clerical work for staff, providing more meaningful interactions with residents

Tranquility performs for Long-Term Care.

**100%**  
OF STAFF AGREE

They would like to continue using Tranquility Products.

## Tranquility® Products

We design incontinence solutions with Real Life Protection that meets the demands of residents' daily activity. With class-leading moisture management, capacity under pressure and leakage control, our products are clinically proven to manage even the most challenging incontinence care needs, while providing significantly longer-lasting protection. This improves the quality of life for residents, while dramatically reducing the strain on staff and resources.

### Tranquility products are clinically proven to ensure:

- ✓ Advanced Leakage Control
- ✓ Dry, Healthy Skin Environment
- ✓ Odor and Urine Neutralization
- ✓ Inhibition of Bacterial Growth

## Recommended Products to Help Improve the Quality of Life for Residents and Caregivers

### Tranquility® SmartCore® Briefs

Maximum protection for individuals with severe incontinence and limited mobility.

### Tranquility® Premium OverNight™ Underwear

Optimal pull-on product with maximum protection for all-night comfort.

### Tranquility® AIR-Plus™ Breathable Underpads

100% breathable underpad with maximum protection, ideal for low-air-loss beds.

### Tranquility® Essential Breathable Briefs

Clothlike, breathable, tab-style brief offers reliable protection for heavy incontinence.

### Tranquility® Essential Underwear

Soft, pull-on product offers discreet and reliable protection for moderate incontinence.

### Tranquility® Essential Booster Pads

Flow-through pad designed to add capacity to any disposable incontinence product.
