

Real Stories from Veterans & VA Staff

"My husband is 90 years old, WWII vet, retired Navy and Civil Service harbor dept. We have used many different makers and **none are as good as Tranquility**. My supplier is in Wheeling, WV and they are wonderful and in about 5 days or less I receive my order. I always order 2 cases at a time. Very happy with diapers and supplier and Tranquility in Ohio was so very helpful and still are with any questions."

~ A.P. Winston Salem, NC – Tranquility Premium OverNight™ DAU

"I am 31 years old and I'm a veteran who was the unfortunate recipient of an injury to my spine that left me with nerve issues, and some pretty bad bowel/bladder incontinence. I've never had anything I purchased "change my life" what a silly idea. I was wrong. **I can truthfully say Tranquility products have improved my quality of life.** You truly helped me manage something I have no control over, and you made an improvement in my overall mental and physical health."

~ J.D. Herrin, IL – Tranquility SmartCore® Brief

"I started ordering Tranquility Premium OverNight™ Disposable Absorbent Underwear for all my patients with significant incontinence problems. I would send them a small quantity for 30 days to see if they liked them and would ask them to call me if they worked out. **EVERY patient or caregiver would call and let me know how thrilled they were with the Tranquility product** and would ask for an increase in quantity and most wanted to wear them during the day also!"

~ C.C. PA-C Home Based Primary Care, PA VA Medical Center

"I have dealt with urinary incontinence (NBD) since an injury in the Marine Corps when I was 19 years old. During that 30 years, I have tried many different products and **Tranquility has proven to be the most reliable solution.** As a civil engineer I go to a lot of job sites for extended periods, oftentimes with no facilities available. Your products give me the peace of mind and freedom I need to plan my day around my work, and not my bladder issues. Thank you for a great product!"

~ J.J. Long Beach, CA – Tranquility SlimLine® Brief & Tranquility EliteCare® Brief
