PROUDLY SUPPORTING VETERANS

Community Involvement

PBE and its Associates are committed to supporting nonprofit organizations that serve Veterans, their families and caregivers through fundraising initiatives, corporate sponsorships and contributions.

Since 2013 PBE Associates have raised nearly \$21,000 through annual Veterans Week fundraisers. Monies raised from these initiatives have provided Veterans with equine therapy programs, assistance dogs, funding for indigent nursing home residents, and care packages for troops.

Recognition

PBE appreciates and recognizes Associates who serve or have served in the Armed Forces. Located at each PBE facility, permanent wall displays honor Associates who are Veterans. PBE also encourages Associates to pay special tribute to family members who are Veterans by sharing their photos throughout the month of November.
