

# Tranquility® Premium SmartCore® Briefs

Maximum protection with breathable sides for dry and healthy skin

**ABSORBENCY:**  
34.0 oz/1005 mL (Size Large)

Tranquility SmartCore Disposable Briefs maintain an ideal microclimate for preserving skin integrity. The high-capacity absorbent peach core remains effective up to 6-8 hours. Breathable sides eliminate heat and moisture buildup. Micro-hook closure tabs grip the soft, clothlike outer layer to securely fasten the brief and allow for multiple openings. Kufguards® (inner leg cuffs) channel fluids into the core, helping to contain high-volume urge episodes and bowel incontinence. The dual wetness indicator turns from yellow to blue when moisture is present, eliminating unnecessary changes and reducing overall costs. Available in five color-coded sizes.
