Long Description
<p>Tranquility® Personal Care Pads combine a sleek and slim design with premium absorbent protection, so you can enjoy greater discretion and peace of mind – all with the freedom to wear regular underwear. These soft and gentle pads feature the benefits of Air-Plus™ technology, with 100% breathable core materials that allow fresh air to flow through and heat and humidity to escape, for ideal skin protection. Moisture-proof backing ensures a barrier to leaks. Acquisition layer quickly wicks fluid from the skin and guides it to the optimized, superabsorbent core that holds and locks in fluid, so it will not be squeezed out when you sit, stand up or move around. Personal Care Pads provide utmost comfort, with a narrower crotch and gentle elastics forming a cup shape to contour the body for an ideal fit. Adhesive strip keeps the pad in place. Clothlike material is gentle against the skin. Choose from three absorbency levels to meet your needs; all pads are individually wrapped for optimal hygiene and on-the-go convenience, and are not made with natural rubber latex. Personal Care Pads offer gentle protection with discreet security.</p> <p><b>For Overnight Size (2482) only:</b> The Personal Care Pad OverNight version (Item #2482) offers extended wear time and protection that promotes healthy, un-interrupted sleep. The targeted absorption zone is wider in the back for extra protection; men can flip the pad around to provide more coverage in the front, if desired.</p>
