premium

**MAXIMUM**

ABSORBENCY:

34.0 oz/1005 mL (Size Medium)

All three styles of briefs are 100% breathable to contain fluid but allow heat and moisture vapor to escape, enhancing skin integrity. They have a superabsorbent core that minimizes odor and holds over 1 qt of fluid for maximum protection. A soft, clothlike outer layer is gentle against sensitive skin. Wide, micro-hook closure tabs to grip the brief securely while still allowing for multiple openings. The briefs also feature Kufguards® (inner leg cuffs) for leakage/bowel containment, elastic leg gathers and a dual wetness indicator.

### Features and Benefits

- 100% Breathable
- Kufguards
- Clothlike
- Micro-Hook Closure Tabs
- Not made with natural rubber latex
